The Student Association Represents

The Student Association was composed of the Student Council and the Student Assembly, which were the representative bodies of democratic student government in Columbus High School.

The purposes of the Student Association were as follows: to represent the student body in any phase of school life, to establish a satisfactory relationship between students and teachers, to provide and improve democratic processes of government in and about the school, and to better material conditions of the school.

For the first time this year the Student Association was under the sponsorship of Mr. C. G. Addelman; and under his leadership and that of the officers, it was a profitable year. Some of the many projects undertaken by both the Council and Assembly were: the operation of two coat check rooms for all the home basketball games and the Sectional and the Regional tournaments; the sale of the "Talking Page," a record on which various school sounds have been placed; the sale of used books at the beginning of the school year; and the decoration of the gymnasium at tourney time.

Democratic Student Government

The Student Council was the supreme student governing body of our school. This year, it was composed of the officers, two sophomores and two freshmen chosen from the Student Assembly, and two students appointed by Mr. Erne. Mr. C. G. Addleman acted as the sponsor.

This year, the Student Council worked to establish a uniform system of voting to be followed in all school elections. It is hoped this voting procedure will enable a larger percentage of the students to vote in all-school elections.

Also, as a result of much letter writing and planning the Student Council established a point system. This system will enable more students to hold offices and positions in school.

During the year, the handling and appropriation of home room fees was placed under Student Council supervision.

Serving as Student Council Officers were Tom Bigley, President; Norma Betz, Vice President; June Deli, Secretary; Jane Burns, Treasurer, and Jerry Hooker, Sgt.-At-Arms.

Adding color to the half-time activities of ball games were the twirlers: Mary Barlow, Bonnie Monyer, Dona McClanahan, Judy Brown, Janet Robertson, Carol Walker, Lois Wilbur, Peggy Mitchner, Barbara Eddy.

Band

The Columbus High School Band, under the direction of Mr. Ralph Templeton, played at all the home basketball and football games this year; as well as for all the pep sessions. They also marched in the annual Pioneer Days parade.

An annual convocation was given January 25, as were various public concerts throughout the year. The people of Columbus weren't the only ones to hear our band, because during the spring the band toured the surrounding schools giving programs for

A Cappella Choir

Roberta Pollitt and Loran Hill won first place for solos in the State Music Contest. The Boy's Quartet, composed of John Anderson, Loran Hill, Bob Andrews, and John Kelly also won first place. **Seated:** is Anita Ennis, accompanist for A Cappella Choir.

This year the A Cappella Choir was composed of sixty-seven members. The choir, as well as all the other choral groups, was under the direction of Mr. Douglas Peterson.

The choir appeared in a joint program with the CHS band early in the year. On March 23, the choir participated in a Choral Festival, which was held at Hope, Indiana, and later in the spring the organization presented a musical and variety review. Entering both the District and State Music Contests, Columbus music students made a good showing. They received fourteen firsts out of seventeen entries at the District Contest. First place winners in the State Contest were: soloists Roberta Pollitt and Loran Hill, the Mixed Ensemble, and the Boy's Quartet.

The latter two groups, as well as other soloists from the A Cappella Choir, provided musical programs for clubs and civic groups throughout the year.

Members from the A Cappella who made up the mixed ensemble were Larry Houchin, John Anderson, David Townsend, Loren Hill, Bob Andrews, Jon Kelly, Dona McClanahan, Frances Brock, Wilma Beatty, Donna Sue Burton, Gloria Jones, Donna Hunter, Jane Burns, Anita Ennis. This group presented programs at local civil organizations.

Freshman Choirs And Advanced Girls Choir

The Advanced Girls Choir appeared early in the fall with the Columbus High School A Cappella Choir and the Band. They also gave a public performance in the spring of the year, and

they sang at various school functions and programs. The Ensemble from the girls choir received a second place in the District Music Contest.

Dramatic Workshop Plays An Important Role In School Entertainment

Dramatic Workshop offered an opportunity to perform to the many stage-minded CHSites. This group met after school each Wednesday to prepare the fine entertainment it later presented. Dramatic Workshop provided Columbus High School with much worthwhile entertainment during the year. The boys and girls of the organization presented plays for convocations during the Halloween and Christmas seasons. Also,

during the Christmas season, they presented a play for various groups and organizations about town. Their main project was the preparation and performance of a three act play, "A Little Honey."

Besides putting on plays, the Dramatic Workshop attended a Thespian conference at Brazil, Indiana in the fall of the year.

Thespians Displayed Talents in School Productions

Although the Thespians were a small group this year, they were active participants in school dramatic productions. To become a member of Thespians, students must earn a certain number of points by taking part in plays.

This theater-in-the-round presentation, "Ghost in the House," was presented at one of our student convos by the Dramatic Workshop, and brought turmoil into the lives of Doris Marcum, Robert Leech, Carl Banks, Betty Jo Hyden, and Loran Hill.

In this scene from "A Little Honey," Mary Barlow, Bev Fritsch, and Carl Banks looked over the formal that figured greatly in the plot.

LuAnne Burgan punished Bev Fritsch after having discovered her mischievousness in "A Little Honey."

LuAnne Burgan, The Maid, greeted Bob Leech in "A Little Honey."

MONITOR CAPTAINS

Front Row: Kay Cox, Kathryn Rutan, Carol Barnaby, Janet Wells, Roberta Pollitt, Linda Scheidt.

The purpose of Jr. Red Cross Council was to be of service to all and to teach boys and girls to be more community-minded. The council was sponsored by Miss Josephine Armuth, and was very active during the past year. The members assisted in the County Red Cross Drive, and sent a scrapbook depicting the American way of life, which was prepared by one of the English classes, to a foreign land. They framed pictures to send to Muscatatuck State School, and at Christmas time, collected toys and money which were sent to the boys and girls at Muscatatuck. They also had a party for the aged people at the County Home.

A small group of monitor captains and a much larger group of monitors, who were sponsored by Mr. Noel Genth, were responsible for the peace and quiet in the halls of C. H. S. These boys and girls checked hall permits, collected attendance slips, and performed the duties of general handyman to the teachers.

The Projectionists were a group of boys who proved themselves indispensable to Columbus High School. They were trained and supervised by Mr. James Kelly. To be a projectionist, a boy must know how to operate all the school's audiovisual equipment and maintain a satisfactory scholastic record.

Triangle Staff

Although the Triangle Staff operated under a handicap which was the lack of its own linotype, the school newspaper was published every Friday.

Besides publishing a weekly edition, the Triangle sponsored the Ten Top Senior Contest. This year, the contest was conducted with a

new set of rules. The students nominated were ranked by teacher-recommendations, by student vote, and by scholastic achievement.

The Triangle was financed by the student home room fund. Nancy Meyers and Shirley Hobson, co-editors; and Miss Vera Lanham, advisor, directed the staff's activities.

Triangle Chiefs, Michael Murphy, Nancy Meyers, Anita Ennis, Shirley Hobson, and Tom Bigley, were pictured hard at work getting an issue of the Triangle ready for press.

The Log section editors Jean Noland, Judy Payne, Lynn Holmes, Jane Burns, Don Cordry, Bill Baxter, Ruth Ann Hinds, and Mary Ann Pulse planned ahead and worked hard to meet press deadlines.

Log Staff

Headed by co-editors, Mary Ann Pulse and Ruth Ann Hinds; and advisors, Miss Edna Folger and Mr. Albert O. New; the staff worked hard to give the CHS students a top-rated annual.

The staff had their usual Christmas and Spring parties; and they tried all year to mix fun along with the work and worry which accompanies the editing of such a publication.

Baseball Preview

The Columbus Baseball Team composed of promising underclassmen practiced long hours under Coach William Stearman. The team scheduled games with Southport, Greensburg, Bloomington, Hope, Washington, Connersville, and Shelbyville.

Jerry Hinkle took batting practice for those important games. Veteran Don Wiley took time out to talk with freshmen players Ken McDermott and Norman Stucker. Everyone in the act! These outfielders were anxious to catch that fly-ball.

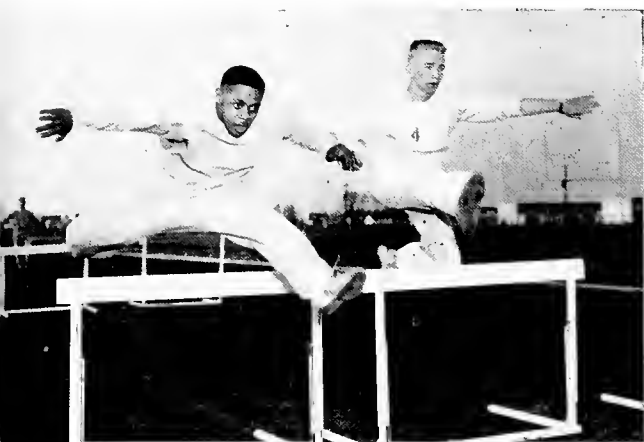

Pole-vaulting for the team was Bob Hundley.

Jim Kelsch and David Townsend made that important tag in one of the exciting relays.

Track Snaps

Tom Hogue and Ronnie Sewell showed excellent form in clearing the hurdles.

The Columbus Track Team under the supervision of Coach Gerald Quilleon showed strength at the Hoosier Relays despite their lack of experience. Lettermen Allen Smith, David Johnson-Bey, and Tom Spurgeon returned to run dashes while Jerry Records and Al Houk helped with field events. The team scheduled meets with Southport, Bloomington, Martinsville, Washington, Seymour, Manual, and Broad Ripple. Highlight of the season was the running of the third annual Columbus Relays.

A SALUTE TO YOUTH!

As Arvin's float in the annual Pioneer Days parade in Columbus last fall bears evidence, Arvin feels that the most important product to be found anywhere in this country is not to be found in any industry or business establishment. It is the product that is turned out by the homes and schools of America — it is YOUTH!

Arvin commends your parents and your teachers for the fine job they are doing in helping to make useful citizens of you students, and we urge you to make the most of the opportunities these parents and teachers are providing for you.

Congratulations, Seniors of Columbus High School, and best of luck after graduation!

"Can She Bake a Cherry Pie . . . Billy Boy . . . Billy Boy?"

These lassies can! But in home economics you have to know more than how to bake a cherry pie. There are such things to worry about as calories, vitamins, balanced nutrition, meal planning, and a good home economist even knows about work-saving methods and equipment.

Just ask Anna or Nedra about this. If they don't know, Miss Bush, our Home Economics teacher does!
